

# SAVE THE DATE

## ACM Mid-Southeast Conference

November 12 – 13, 2015

Glenstone Lodge  
Gatlinburg, Tennessee

<http://www.acmmidsoutheast.org/>

As you are getting settled into your fall schedule we want to remind you that this November we will be having the 57th annual ACM Mid-Southeast Conference in beautiful Gatlinburg, TN. We hope that you and your students will begin to plan and discuss possible presentations that you can make at this year's conference. We will be sending out a call for abstracts in early September. For now just mark the date and begin making your plans to attend a wonderful conference and hear about all the great work people are doing.

The ACM Mid-Southeast Chapter Fall Conference provides a forum for discussion of current applications and experimental, theoretical and educational developments in all areas of computing,

**Peer Reviewed Papers (NEW for 2015):** We will also be accepting a limited number peer reviewed papers. The call for these papers will be coming sometime in the month of August.

**Student papers are welcomed.** Student papers must be authored solely by students. Monetary awards and individual plaques will be presented for the best graduate (masters and doctoral categories), undergraduate 4 & 2yr institution student papers. Call for these papers will be in early September.

### **Poster Presentations:**

Last year we decided to do something new and have poster presentations. We had a few students use this venue and would like to try it again this year. Call for posters will be in early September.

### **Suggested topics include but are not limited to:**

Artificial Intelligence	Client/Server Computing	Networking
Computer Architecture	Data Base Topics	Distance Learning
Computer Science Education	Ethics	Graphics Topics
Internet, Intranet	Neural Networks	Object Oriented
Operating Systems	Parallel/Distributed Processing	Scientific Visualization
E-Commerce	Software Engineering	Security Issues
Nifty Problems	It Seemed Like a Good Idea at the Time...	Cloud Computing
Internet of Things	Hot Topics in CS	

We are also looking for anyone who would like to help organize and run this year's conference. We will need help with session chairs, judges, and for the first time this year paper reviewers. If you can help out in any of these areas please contact the conference chair, Greg Kawell: ([gakawell@samford.edu](mailto:gakawell@samford.edu)) or Kathy Winters([kathy-winters@utc.edu](mailto:kathy-winters@utc.edu)).

### **Hotel Accommodations**

If you know you will be attending this year's conference you can reserve your room now. Contact the Glenstone Lodge directly at 865-436-9361 or 1-800-362-9522 to make reservations. Cost for the rooms is \$89. You should identify yourself as "Association for Computing Machinery". A block of rooms has been reserved at the Glenstone Lodge with a cutoff date of October 12, 2015.
